Dear Kevin:

I was very pleased to learn that you gave the convocation address at Sargent College this year. Your insight into the lives of the disabled has been of enormous importance. It certainly influenced me in our efforts to increase accessibility at Boston University.

You had a profound influence on my life, and through our association you certainly accelerated Boston University's sensitivity to the needs of the disabled. I can't thank you enough for your leadership not only as a student, but as an alumnus.

With all good wishes,

Yours,

John Silber
